DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

It is noted that the non-final office action mailed July 13, 2007 in the present application did not include on the PTO 892 Form, one of the foreign references GB 1108994A used against the claims in the rejection. Also the applicant did not receive a copy of the reference (GB 1108994A). A copy of the reference (GB 1108994 A) is being attached to this office communication along with a PTO 892 Form so that the file history of this application will be complete. Any inconvenience to the applicant is regretted. It is noted however, the reference (GB 1108994) was originally supplied to the office by the applicant in the Information Disclosure Statement (IDS) in a co-pending application 10/506411. Finally it is noted that Navaro et al., is the proper name for (GB 1108994A).

STATUTORY TIME PERIOD CONTINUES TO RUN FROM THE MAILING DATE OF THE NON-FINAL OFFICE ACTION, JULY 13, 2007.
